AMENDMENT C

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action mailed January 19, 2011, and the advisory action mailed April 22, 2011, please amend the application as indicated below. Entry of the amendments is appropriate because the Examiner indicated that claim 15 is allowable. Though the advisory action indicates that claim 15 amendments "raised new issues", this is assumed a mistake because claim 15 has already been indicated allowable, and claim 15 has been re-written in independent form. The remaining amendments simply make claims depend from claim 15. No new issues are raised, and entry of the amendments is appropriate to place the case in condition for allowance consistent with the prior analysis of the Examiner.

The Commissioner is hereby further authorized to charge any additional fees which may be required to this application under 37 C.F.R. 1.16-1.17, or credit any overpayment, to Deposit Account No. 07-2069.
